TUCK SHOP NEWS!!!!

Birthdays are very important events and it's really important that they are celebrated .

The Cliffview Tuck Shop offers a Party Pack Service.

You choose what items you would like in the pack to suit your budget (See order list below).

We pack them into a bag for each child and deliver to your child's classroom on the day.

Orders need to be placed a week in advance and payment is via EFT into the schools bank account.

Your class teacher will be able to assist with the number of children in the class.

To make Birthdays even more special we have added **CUPCAKES** to the list.
